**International General Certificate of Secondary Education**

**MARK SCHEME for the May/June 2014 series**

**0678 SPANISH**

**0678/04**

Paper 4 (Continuous Writing), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2014 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

## Introduction

### Total marks for paper: 50

25 marks per question. Each question is marked over a maximum of 140 words.

#### 1 Communication: 5 marks

Put a letter **(a)–(e)** in the right-hand margin for each of the 5 relevant points.  
Record 0 for a failure to score a point.

#### 2 Language: 15 marks

Examiners are required to award ticks beside each Marking Unit which is substantially correct. Errors are not to be indicated. The total number of ticks should be recorded at the foot of the page and converted to a mark out of 15 using the Conversion table at the end of the mark scheme.

#### 3 General Impression: 5 marks

The pro rata mark based on the Language mark should serve as the first guide. This mark should be adjusted up or down by one mark where this is justified by positive qualities, such as unusually good vocabulary or ambitious use of language, or by negative qualities, such as excessive repetition. Indicate positive qualities by a plus sign and negative qualities by a minus sign in the left-hand margin.

**0–1** Does not rise above the requirements for the Directed Writing Task in Paper 2.

- 2** Fairly good use of idiom, vocabulary, structures and appropriate tenses.
- 3** Good use of the above.
- 4** Very good use of the above.
- 5** Excellent use of the above.

## Recording of marks

Marks should be recorded at the end of the answer as follows:

Communication	+	Language	+	General Impression	=	Total
e.g. 4/5	+	10/15	+	3/5	=	17/25

Enter each of the two marks on the front of the Script and record the total out of 50.

Please ensure that these marks are checked carefully, especially the conversion of ticks to marks for Language.

Page 3	Mark Scheme IGCSE – May/June 2014	Syllabus 0678
--------	--------------------------------------	------------------

## Checkers

Each Examiner should ensure that his/her Checker has read the instructions on the reverse of the Script Checker Claim Form. Checkers should indicate that they have approved the accuracy of the recording, addition and transfer of marks by putting a tick in pencil against the final mark for each of the two questions and against the final Total, on the front of the scripts. Errors which the Checker finds must be corrected in red by the Examiner.

## Counting words

- (a) In letters ignore any address or date. Ignore also any title. No marks may be gained for the above.
- (b) Count up to exactly 140 words. Award no more marks thereafter, either for Communication or Language. But see note (e).
- (c) Our definition of a word is a group of letters surrounded by a space. Count the number of words **as it should be**, not necessarily as it is written.

*el señor* = two words

- (d) All numbers count as one word each whether written as figures or as words.

32 = one word

*treinta y dos* = one word

- (e) When the 140<sup>th</sup> word splits a Marking Unit, award a mark for the unit if correct in spite of (b).

...*con || mi amigo*. Record a tick for *con*.

- (f) Indicate the 140<sup>th</sup> word by ||.

- (g) Proper nouns count as one word and do not score ticks for Language, e.g. *Estados Unidos*, *Nueva Zelanda*, *Nueva York* etc.

- (h) In letters, count a maximum of **two** words only for the addressee, as in *Estimado Sr. Gómez*.

### Irrelevant material

In the case of a deliberately evasive answer which consists almost entirely of irrelevant material exploited in defiance of the rubric, a score of 0/25 is given. These are rare in IGCSE. The genuine attempt to answer the question which fails due to a misunderstanding of the rubric will normally lose Communication marks but will score for Language and Impression.

When part of an answer is clearly irrelevant, include such material in the word count, but bracket it and award no Language marks. (e.g. unless otherwise instructed, bracket and include in the word count an introduction to a question consisting of an unwanted self portrait on the lines of: ‘Hola. Me llamo X. Tengo 16 años. Vivo en Y. etc.’). However, please bear in mind that as long as candidates do not distort the requirements of the rubric, they are allowed to develop their essays in the direction that suits them/their imagination takes them: Examiners should always hesitate before bracketing material as irrelevant, especially if it is integrated into an essay which fulfils the requirements of the rubric in other ways, and must consult their Team Leader if they are unsure.

### Repetition of material printed in the rubric

The following list of words lifted **unchanged** from the rubric will not be rewarded with Language ticks:

**Question 1(a)** *hacer para ayudar en casa; la semana pasada*

**Question 1(b)** *el curso de lengua; las ventajas de hablar otro idioma; trabajar en el futuro*

**Question 2** *en el suelo; después de recoger el móvil*

## MARKS FOR RELEVANT COMMUNICATION

### General principles

**(a)** Do not award Communication marks when the required elements are expressed in inappropriate tenses:

- e.g. *El año pasado viajo en España* = 0 for Communication. *Yo viajo* does not receive a tick for Language. (The other elements are marked in the usual way.)

However reward a Present where a Future context is apparent:

- e.g. *El año que viene viajo en España* = 1 for Communication. *Yo viajo* receives a tick for Language.

**(b)** Disallow for Communication the use of the Infinitive or the Past Participle when a finite verb is required:

- e.g. *Yo comprado manzanas* = 0 for Communication and Language  
*Yo comprar manzanas* = 0 similarly

**(c)** Tolerate and allow for Communication (but not Language) the use of the Preterite when the Imperfect is required and vice versa. Also tolerate and allow the use of the Future when a Conditional is required.

**(d)** Bracket and exclude from the word count any letter etiquette when a letter is not asked for.

**(e)** A Communication mark can only be awarded to a statement containing a verb in a recognisable and acceptable tense.

**(f)** A Communication mark may only score if it occurs in the first 140 words.

**(g)** When two ‘reactions’ are required in Question 2 and they are expressed as a list, e.g. *Estaba triste y cansado* or *Era interesante y divertido*, award one Communication mark only. However, if a verb is used, e.g. *Estaba triste [...] Estaba cansado*, award two Communication marks.

### Communication marks for specific questions

A maximum of 5 Communication marks is available for each question. Points may be made in order. Indicate the award of a Communication mark with a letter (a)–(e) in the right-hand margin. Marks are to be awarded for the following points:

- 1** Elige **uno** de estos dos temas (o **1(a)** o **1(b)**).

**Debes escribir entre 130 y 140 palabras.**

## LANGUAGE MARKS

### General Comments

This positive mark scheme is intended to reward both accuracy and ambition. No marks are deducted for errors.

### Marking Units

A tick is awarded for a correct Marking Unit of which each element is correct. The tick is recorded over the scoring word.

A Marking Unit may consist of the correct use of any of the following items:

- A noun or pronoun + verb
- A verb used as an infinitive, with or without a preposition
- A noun or pronoun + adjective or adjectival phrase or partitive
- A noun or pronoun + preposition or prepositional phrase
- All pronouns except subject and reflexive
- All adverbs (except **muy**)
- All conjunctions (except **y** (unless changed correctly to **e** where this is necessary) and **pero**)

See below for details.

Each unit (as mentioned above) scores one tick which should be placed above the verb or the preposition. The spelling and possible accent of verbs must be absolutely correct in order to score a mark. Otherwise, inaccuracies in the use of accents are tolerated except where they are used to distinguish between two words of different meaning or function.

e.g. *aun/aún* and interrogatives which must be accented, e.g. *¿Cuándo? ¿Dónde?*

e.g. *Estuve allí* = 2 ticks  
*También fui* = 2 ticks  
*Es fantástico* = 2 ticks

Misspelling of proper nouns in the case of a person's name or a town or place other than a\_country should be tolerated.

e.g. *con Guillermo* = 1  
*desde Inglaterra* = 0

Allow the use of *tú/vos* or *usted* in informal letters. In the case of inconsistencies reward the most frequently used. Disallow the use of *tu, tus* etc. in formal letters. But allow use of *vosotros* and its possessive *vuestro* (Lat. Am.). Also disallow glaringly inappropriate register.

e.g. Formal letters: disallow such as *¡Hola!, Saludos*  
Informal letters: disallow such as *Acuso recibo de su carta...*

Disallow the inappropriate use of the perfect tense.

Do not reward 'letter etiquette' for Language in Question 2 when a letter is not required.

<b>Page 8</b>	<b>Mark Scheme</b> IGCSE – May/June 2014	<b>Syllabus</b> 0678
---------------	---	-------------------------

### Letter Etiquette

Reward with a tick for Language the correct use of a suitable opening, i.e. the use of *Estimado* or *Estimada señora*, *Muy señor mío* or *Muy señora mía* in a formal letter. Greetings such as *¡Hola!* *Querido Juan/Querida María* gain a tick if used correctly in informal letters.

In addition, award ticks for Language up to a **maximum of 3** for prelearnt preamble such as:

*Siento mucho haber tardado tanto en escribirte* (maximum 3)

Thereafter ignore everything not related to the task set.

N.B. These *politesse*s may occur at the end of the letter. If they do, reward to a maximum of 3.

### Letter ending

Allow a **maximum of 5** for all formal and informal *politesse*s.

*Esperando su respuesta le queda muy agradecido; Escríbeme pronto; Un abrazo fuerte* etc.

Mark for Language in the normal way up to a maximum of 5 ticks. This is in addition to the marks awarded for the *politesse*s described above.

### Tolerances

When a verb is governed by multiple subjects, tolerate if either is correct.

e.g. *El mujer y su esposo (1) salieron (1)*

When an adjective or a preposition is dependent on two or more nouns, tolerate if one is correct.

e.g. *El mujer y el hombre estaban (1) cansados (1)  
...con (1) el mujer y el hombre*

No credit is usually given to the occasional correctly spelt item in a sequence which makes no sense in Spanish. However, recognisable discreet items such as *mi casa* may be rewarded in such a context.

When the gender of the writer is variable, tick only the most frequent. Always accept the declared gender of the writer when marking agreements and ignore the name on the front of the script and at the end of the letter.
