International General Certificate of Secondary Education

**MARK SCHEME for the May/June 2006 question paper**

**0515 FOREIGN LANGUAGE DUTCH**

**0515/02**

Paper 2, Reading and Directed Writing

Maximum raw mark 65

These mark schemes are published as an aid to teachers and students, to indicate the requirements of the examination. They show the basis on which Examiners were initially instructed to award marks. They do not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arose from these discussions will be recorded in the published *Report on the Examination*.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the *Report on the Examination*.

The minimum marks in these components needed for various grades were previously published with these mark schemes, but are now instead included in the Report on the Examination for this session.

- CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2006 question papers for most IGCSE and GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

### Accuracy marks for Question 27

#### Language marks

#### General notes

This positive mark scheme is intended to reward both accuracy and ambition. No marks are deducted for errors. There is no ‘impression marking’.

**Punctuation:** incorrect punctuation will be tolerated.

**Repetition:** rule of three, i.e. that only the first three examples of identical lexis and structure in identical circumstances will be rewarded.

**Accuracy:** in letters, ignore any address or date. Ignore also any title which the candidate has invented. No marks may be gained for these items.

**Irrelevant material:** no marks may be obtained for clearly irrelevant material. Count such material in the word count, but bracket it.

**Word Limit:** count up to exactly 100 words for Language, but allow up to 110 for Communication. Consequently, award no more marks after 100 words for Language and after 110 words for Communication

**Marking units:** a tick is awarded for a correct marking unit of which each element is correct. The tick is recorded over the scoring word.

## A      VERBS

### 1      Subject/verb accord

Correctly spelt noun or pronoun + any correct finite verb in the correct word order = 1 tick.

The personal pronouns: *ik, je/jij* etc. as well as the indefinite pronouns: (n)iemend etc. must be correctly written. The present tenses of *hebben* and *zijn* also score ticks, if appropriate.

Ik drink

Ick drink

Niemand weet (het)

De hont drinkt/ De hond drinkt/Het hond drinkt
