

**MARK SCHEME for the May/June 2010 question paper
for the guidance of teachers**

0525 GERMAN (FOREIGN LANGUAGE)

0525/04

Paper 4 (Continuous Writing), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

- CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2010 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Page 2	Mark Scheme: Teachers' version IGCSE – May/June 2010	Syllabus 0525
---------------	---	--------------------------------

Total marks for paper: 50

25 marks per question. Each question is marked over a maximum of 140 words.

1 Communication: 5 marks

Put a stroke in the left hand margin for each of the 5 relevant points.
Record 0 for a failure to score a point.

2 Language: 15 marks

Examiners are required to award ticks beside each Marking Unit which is substantially correct. Errors are not to be indicated. The total number of ticks should be recorded at the foot of the page and converted to a mark out of 15 using the Conversion table at the end of the mark scheme.

3 General Impression: 5 marks

The pro rata mark based on the Language mark should serve as the first guide. This mark should be adjusted up or down by one mark where this is justified by positive or negative qualities of the candidate's work.

0–1 Does not rise above the requirements for the Directed Writing Task in Paper 2.

- 2** Fairly good use of idiom, vocabulary, structures and appropriate tenses.
- 3** Good use of the above.
- 4** Very good use of the above.
- 5** Excellent use of the above.

Recording of marks

Marks should be recorded at the end of the answer as follows:

Communication	+	Language	+	General Impression	=	Total
E.g. 4/5	+	10/15	+	3/5	=	17/25

Enter each of the two marks on the front of the Script and record the total out of 50.

Please ensure that these marks are checked carefully, especially the conversion of ticks to marks for Language.

Page 3	Mark Scheme: Teachers' version IGCSE – May/June 2010	Syllabus 0525
---------------	---	--------------------------------

Counting words

- (a) In letters ignore any address or date. Ignore also any title which the candidate has invented. Marks may be gained for the above.
- (b) Count up to exactly 140 words. Award no more marks thereafter, either for Communication or Language. But see note (e).
- (c) Our definition of a word is a group of letters surrounded by a space. A group of letters containing a hyphen is regarded as one word.

Fußball-Weltmeisterschaft; 99-prozentig = one word, *die Frau* = two words

- (d) All numbers count as one word each whether written as figures or as words.

21 = one word

einundzwanzig = one word

- (e) When the 140th word splits a Marking Unit, award a mark for the unit if correct in spite of (b).

...mit //meinem Freund. Record a tick for '*mit*'.

Noch //später. Record a tick for '*noch*'.

Er hat //gemacht. Record a tick for '*er hat*'.

- (f) Indicate the 140th word by ||.

- (g) Proper nouns count as one word and do not score ticks for language, e.g. *Neuseeland, Vereinigten Staaten, Rheinland-Pfalz, Helmut Kohl, Südafrika, New York*. Where names of countries are preceded by a preposition a tick is awarded: *in Frankreich*.

- (h) In letters count a maximum of **2** words only for the addressee as in *Lieber Herr Anders*.

Repetition of material printed in the rubric

Sections of the rubric which might score no marks for language are discussed at the Examiners' Coordination Meeting.

For June 2010 the following list of words lifted unchanged from the rubric would not be rewarded:

Question 1(a) *und drei Freunde einen Campingurlaub in Deutschland machen./ um Auskunft über den Campingplatz / um Auskunft über die Gegend.*

Question 1(b) N/A

Question 2 N/A

Page 4	Mark Scheme: Teachers' version IGCSE – May/June 2010	Syllabus 0525
--------	---	------------------

Irrelevant material

In the case of a deliberately evasive answer which consists entirely of irrelevant material exploiting defiance of the rubric, a score of 0/25 is given. These are rare in IGCSE. The genuine attempt to answer the question which fails due to a misunderstanding of the rubric will normally lose Communication marks but will score for Accuracy and Impression. Examiners who encounter what they judge to be irrelevant material/an irrelevant answer must contact the Principal Examiner during the marking period. When part of an answer is clearly irrelevant, include such material in the word count, but bracket it and award no Accuracy marks.

---------------	---	--------------------------------

MARKS FOR RELEVANT COMMUNICATION

General principles

(a) Do not award Communication Marks when the required elements are expressed in inappropriate time frames:

- e.g. *Letztes Jahr reise ich nach Deutschland* = 0 for Communication. *Ich reise* does not receive a tick for Language. (The other elements are marked in the usual way.)

However reward a Present where a Future context is apparent:

- e.g. *Nächstes Jahr reise ich nach Deutschland* = 1 for Communication. *Ich reise* receives a tick for Language.

Disallow for Communication the use of the Infinitive or the Past Participle when a finite verb is required and the use of a finite verb where the infinitive is required:

- e.g. *Ich gewesen im Urlaub* = 0 for Communication and Language
Ich sein im Urlaub = 0 similarly
Ich will esse = 0 similarly

(c) Tolerate and accept for Communication (but not for Language) the use of any past tenses when a past is required, even when a different past tense would be correct. Allow Perfect, Imperfect or Pluperfect. Accept for Communication the use of a Future when a Conditional would be correct and vice versa.

Disallow the 'historic present' for Communication and Language.

(d) Tolerate and allow for Communication the use of *haben* with a past participle when *sein* is correct

- e.g. *Ich habe in Deutschland geblieben* may score

However disallow the use of *sein* for *haben*, as in:

- e.g. *Ich bin gegessen* = 0

(e) Bracket and exclude from the word count any letter etiquette in Question 2 when a letter is not asked for.

(f) A Communication mark may only score if it occurs in the first 140 words.

---------------	---	--------------------------------

QUESTION 1

A maximum of 5 marks is available for each of the two questions.
Marks are to be awarded for the following points:

Question 1 (a)

- Introduce yourself (z. B. Name, Wohnort) and say who is coming with you. [1]
- Explain why you are visiting Germany. [1]
- Say when you are coming and how long you would like to stay for. [2]
- Ask for information about the camping site and/or the region. [1]

Question 1 (b)

- Say when he or she may come to visit and for how long. [1]
- Say how you like the new house and why. [2]
- Say how you get to your new school. [1]
- Ask your friend about what he would like to do during his visit. [1]

[Total: 5]

QUESTION 2

Candidates are awarded 1 mark up to a maximum of 5 for each point relevant to the development of the storyline in an appropriate tense. Allow just one sentence for scene-setting.

Communication ticks are awarded for opinions, reactions, actions, descriptions, etc., i.e. for any new information which allows the story to unfold.

The story should be told mainly in the past tense, as clearly indicated in the rubric. The historic present is not normally accepted. Of course any sentence which clearly relates to the present or to the future should be credited appropriately.

LANGUAGE MARKS

General Comments

This positive marking scheme is intended to reward both accuracy and ambition. No marks are deducted for errors.

Marking Units

A tick is awarded for a correct Marking Unit of which each element is correct. The tick is recorded over the scoring word e.g. *mein [1] Freund*

A Marking unit may consist of the correct use of any of the following items:

- A noun or pronoun + verb. Extra marks are available for the use of negative expressions and the interrogative.
- A verb used as an infinitive.
- A noun or pronoun + adjective or adjectival phrase or partitive
- A noun or pronoun + preposition or prepositional phrase
- Any pronoun other than subject pronouns and reflexives
- All adverbs (except *sehr* and *gut*)
- All conjunctions (except *und* and *aber*)

See below for details

Inaccuracies in the use of Umlauts (except where they affect the meaning of the word), Hyphens and Punctuation are ignored.

e.g. *der Rucksack* = 1 tick; *Morgen* = 1 tick; *der Super-Markt* = 1 tick

Misspelling of proper nouns in the case of a person's name or a town or place other than a country should be tolerated.

e.g. ...*mit Johan* = 1. ...*in Kln* = 1. However, ...*in Deustchland* = 0

Allow the use of *Du* or *Sie* in informal letters. In the case of inconsistencies, reward the most frequently used. Disallow the use of *Du*, *Dein* etc in formal letters. Also disallow glaringly inappropriate register.

Letter Etiquette

Reward with a tick for Language, the use of *Herr* or *Frau* at the start of a formal letter. Also award two ticks for *Lieber Herr* or *Liebe Frau* in a formal letter and one tick for *Lieber Jens* etc. in an informal letter. Multiple addressees (*Lieber Herr..., Liebe Frau...*) are credited once only. Greetings such as *Hello!* Or *Gruß dich!* gain ticks in informal letters only, and formal endings (*Hochachtungsvoll*, for example) do not score in informal letters.

In addition, award ticks for Language up to a maximum of 5 for pre-learnt preamble such as:

Vielen Dank für Deinen Brief. Ich habe mich sehr gefreut, mal wieder von Dir zu hören. (Max 5)

Thereafter ignore everything not related to the task set.

NB Similar politesses may occur at the end of the letter. If they do, reward to a maximum of 5.

Page 8	Mark Scheme: Teachers' version IGCSE – May/June 2010	Syllabus 0525
---------------	---	--------------------------------

Do not reward 'letter etiquette' for Language when a letter is not required.

Letter Ending

Allow a maximum of 3 marks for all formal and informal *politesse*s

Hochachtungsvoll etc.

Schreib bitte bald wieder! Ich hoffe, es geht Euch allen bestens, etc. Mark for language in the normal way up to a maximum of 3 ticks. This is in addition to the marks awarded for the *politesse*s described above.

Tolerances

When a verb is governed by multiple subjects, tolerate if either is correct.

e.g. *Der Frau und ihr Mann [1] sind abgefahren [1]*

No credit is usually given to the occasional correctly spelt item in a sequence which makes no sense in German. However, recognisable discrete items such as *mein Vater* may be rewarded in such a context.

When the gender of the writer is variable, tick only the most frequent. Always accept the declared gender of the writer and ignore the name on the front of the script and at the end of the letter.

Accept the use of either *Du* or *Sie* in informal letters, but do not reward *Du* in formal letters. Do not tolerate inconsistency of *Sie* and *Du*. Reward the most frequent.
