Paper 1 Reading and Directed Writing

**May/June 2022**

**MARK SCHEME**

Maximum Mark: 50

---

**Published**

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge International will not enter into discussions about these mark schemes.

Cambridge International is publishing the mark schemes for the May/June 2022 series for most Cambridge IGCSE, Cambridge International A and AS Level and Cambridge Pre-U components, and some Cambridge O Level components.

This document consists of **11** printed pages.

**Generic Marking Principles**

These general marking principles must be applied by all examiners when marking candidate answers. They should be applied alongside the specific content of the mark scheme or generic level descriptors for a question. Each question paper and mark scheme will also comply with these marking principles.

**GENERIC MARKING PRINCIPLE 1:**

Marks must be awarded in line with:

- the specific content of the mark scheme or the generic level descriptors for the question
- the specific skills defined in the mark scheme or in the generic level descriptors for the question
- the standard of response required by a candidate as exemplified by the standardisation scripts.

**GENERIC MARKING PRINCIPLE 2:**

Marks awarded are always **whole marks** (not half marks, or other fractions).

**GENERIC MARKING PRINCIPLE 3:**

Marks must be awarded **positively**:

- marks are awarded for correct/valid answers, as defined in the mark scheme. However, credit is given for valid answers which go beyond the scope of the syllabus and mark scheme, referring to your Team Leader as appropriate
- marks are awarded when candidates clearly demonstrate what they know and can do
- marks are not deducted for errors
- marks are not deducted for omissions
- answers should only be judged on the quality of spelling, punctuation and grammar when these features are specifically assessed by the question as indicated by the mark scheme. The meaning, however, should be unambiguous.

**GENERIC MARKING PRINCIPLE 4:**

Rules must be applied consistently, e.g. in situations where candidates have not followed instructions or in the application of generic level descriptors.

**GENERIC MARKING PRINCIPLE 5:**

Marks should be awarded using the full range of marks defined in the mark scheme for the question (however; the use of the full mark range may be limited according to the quality of the candidate responses seen).

**GENERIC MARKING PRINCIPLE 6:**

Marks awarded are based solely on the requirements as defined in the mark scheme. Marks should not be awarded with grade thresholds or grade descriptors in mind.

<b>Question</b>	<b>Answer</b>	<b>Mark</b>	<b>Guidance</b>
2	<p>Use Table A, Reading to give 15 marks for Reading. Use Table B, Writing to give 10 marks for Writing. Candidates should draw their content from Texts B and C. The list below is indicative and is not exhaustive. Other relevant points from the texts may be included.</p> <p><b>Indicative content</b></p> <p>Evaluation of the arguments requires candidates to draw inferences and make judgements. Evidence should be derived from the ideas and examples in both texts, developing claims and assessing their implications with clear and persuasive arguments.</p> <p>Possible content points are listed below. The list is not exhaustive and other relevant points may be accepted.</p> <p><b>Sebab berita palsu semakin berleluasa sekarang ini:</b></p> <ul style="list-style-type: none"> <li>– Sekarang ini kita hidup di dunia di mana maklumat datang dalam pelbagai corak dan bentuk; daripada imej digital sehingga kepada multimedia, blog dan ‘wiki’.</li> <li>– media sosial memudahkan individu serta organisasi untuk menyebarkan semua jenis kandungan digital.</li> <li>– Kita semua boleh menjadi jurugambar atau pencerita menggunakan alat dalam talian untuk menghasilkan bahan-bahan yang diolah dengan baik.</li> <li>– teknologi memudahkan apa yang sebelumnya memerlukan perbelanjaan besar; sebagai contoh, akses kepada mesin cetak, studio atau pemancar siaran. Kemunculan media digital meledakkan fenomena ini dan lahirlah "berita palsu".</li> <li>– pembaca senang terpengaruh dengan mesej yang kelihatan jelas dan tidak rumit.</li> <li>– tidak ramai orang mempunyai masa atau tenaga untuk memikirkan secara mendalam</li> <li>– tetapi kini berita dilaporkan dengan pantas dan ianya juga cepat dilupakan. Yang lebih diutamakan ialah bagaimana untuk menjana pendapatan menerusi pengiklanan dalam talian. Lagipun, kisah sensasi menghasilkan lebih banyak klik daripada berita yang membosankan dan benar.</li> <li>– risikan mendalam memakan belanja yang besar yang tidak dapat ditanggung oleh kebanyakan syarikat penerbitan.</li> </ul>	25	

<b>Question</b>	<b>Answer</b>	<b>Mark</b>	<b>Guidance</b>
	<p><b>Langkah-langkah yang boleh diambil untuk mengatasi masalah ini:</b></p> <ul style="list-style-type: none"> <li>– Pertama sekali, belajar untuk melihat setiap sumber maklumat dan persoalkan kesahihannya.</li> <li>– Sentiasa menguasai perasaan anda ketika membaca sesuatu bahan berita. Bacalah dengan minda dan bukan dengan emosi; gunakanlah kemahiran berfikir anda.</li> <li>– Bacalah rencana-rencana yang bertentangan dengan pendapat anda supaya anda boleh mencabar tanggapan anda sendiri.</li> <li>– Ingatlah, walaupun anda bersetuju dengan sesuatu pendapat yang dikongsi dengan meluas di media sosial, ia tidak semestinya benar. Bertanya dan mencari maklumat tambahan tidak memerlukan banyak masa.</li> <li>– Sentiasalah teliti cara sesuatu yang anda perolehi dalam talian diolah atau dipersembahkan.</li> <li>– Pengguna yang bertanggungjawab tidak akan dengan semudahnya membuat hantaran sembarangan, pendapat yang tidak berdasarkan kebenaran.</li> <li>– Bersikap adil dan tepat dalam apa yang mereka kata dan kongsi.</li> <li>– Sekolah-sekolah perlu menyedarkan para pelajar akan isu-isu ini pada peringkat awal lagi supaya mereka lebih bertanggungjawab dalam penggunaan teknologi.</li> <li>– Beberapa perkhidmatan dalam talian kini melawan balik dengan mengukur kesahihan laman web berita menggunakan ikon hijau untuk menunjukkan laman web yang mengikut piawai ketepatan dan ikon merah untuk yang tidak.</li> <li>– Menekankan prinsip-prinsip Rukun Negara untuk mendidik rakyat Malaysia bagi meningkatkan kesedaran tentang berita palsu. Masyarakat juga harus menambah pemahaman tentang alat yang boleh digunakan untuk menangani permasalahan ini dengan lebih bijak.</li> </ul>		

**Table A, Reading**

Candidates are expected to use ideas and opinions from the texts. Candidates who do not use ideas from the texts will not be able to score above Band 2.

**Use the following table to give a mark out of 15 for Reading.**

<b>Band 5</b>	<b>13–15</b>	<ul style="list-style-type: none"> <li>The candidate develops, evaluates or analyses the chosen content in a way that clearly fulfills all elements of the task.</li> <li>The candidate selects a wide range of facts, ideas and opinions from both texts.</li> </ul>
<b>Band 4</b>	<b>10–12</b>	<ul style="list-style-type: none"> <li>There is some development, analysis and evaluation and a clear focus on all elements of the task.</li> <li>The candidate selects relevant facts, ideas and opinions from both texts.</li> </ul>
<b>Band 3</b>	<b>7–9</b>	<ul style="list-style-type: none"> <li>Development, analysis and evaluation is limited. Parts of the response may not be focused on the task. Most of the task has been attempted, though there may be some minor omissions.</li> <li>The candidate identifies enough relevant facts, ideas and opinions from both texts to fulfil the task.</li> </ul>
<b>Band 2</b>	<b>4–6</b>	<ul style="list-style-type: none"> <li>The response shows very limited development of ideas. Significant aspects of the task may not have been approached.</li> <li>The candidate identifies some relevant points from one or both texts but they are not always relevant.</li> </ul>
<b>Band 1</b>	<b>1–3</b>	<ul style="list-style-type: none"> <li>The response lacks development of ideas and shows very limited evidence of focus on the task. No awareness of analysis or evaluation.</li> <li>The candidate identifies very few relevant points from either text.</li> </ul>
<b>Band 0</b>	<b>0</b>	<ul style="list-style-type: none"> <li>No creditable content.</li> </ul>

**Table B, Writing**

**Use the following table to give a mark out of 10 for Writing.**
