**3** Übersetzen Sie ins **Deutsche**:

Frank is at home alone. His parents are visiting relatives. Frank would like to play with his friends but there are no buses in the village today. He has seen how his mother drives the car.

He has an idea. Frank takes the car keys, goes to the garage and gets into the car. He puts the radio on. Off he goes! Outside, his neighbour is shocked.

Frank is 14 years old! He drives quickly out of the village. His friends will be amazed! Frank drives the route he knows well. The road is empty. He is singing because he is having fun.

He has been here with his mother many times. When he hears a police car he is frightened. Then he loses control and the car goes into the forest. Fortunately he is able to slow down.

Unfortunately he drives against a tree. He gets out of the car to walk to his friend's house. There, he calls his father who is angry. It was very stupid of Frank.
