Paper 2 Listening, Reading and Writing

**May/June 2017**

**MARK SCHEME**

Maximum Mark: 90

**Published**

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2017 series for most Cambridge IGCSE®, Cambridge International A and AS Level and Cambridge Pre-U components, and some Cambridge O Level components.

® IGCSE is a registered trademark.

This syllabus is approved for use in England, Wales and Northern Ireland as a Cambridge International Level 3 Pre-U Certificate.

This document consists of **10** printed pages.

<b>15</b>	<b><i>Excellent</i></b>	Excellent response. Ideas and points very effectively organised, illustrated with relevant examples and developed. Wholly relevant and convincing.
<b>12–14</b>	<b><i>Very good</i></b>	Very good response. Ideas and arguments well sequenced, illustrated with relevant examples and developed with occasional minor omissions. Coherent discussion.
<b>9–11</b>	<b><i>Good</i></b>	Good response. Most or main points of question explored. Ideas and examples adequately sequenced, or developed unevenly or with some lapses.
<b>6–8</b>	<b><i>Adequate</i></b>	Satisfactory response. Some implications of question explored. Evidence of argument, patchy or unambitious sequencing. Some omissions and/or irrelevance.
<b>3–5</b>	<b><i>Basic</i></b>	Limited understanding of question. A few relevant points made. Rambling and/or repetitive.
<b>1–2</b>	<b><i>Poor</i></b>	Minimal response. Implications of question only vaguely grasped. Very limited relevant content. Unsubstantiated and undeveloped.
<b>0</b>		No relevant material presented.

**Quality of Language**

<b>15</b>	<b><i>Excellent</i></b>	Excellent range of vocabulary and complex structures. Very high and consistent level of accuracy, with few, mostly minor, errors.
<b>12–14</b>	<b><i>Very good</i></b>	Appropriate use of a wide range of vocabulary, complex sentence patterns and structures. Able to use idiom. Impression of fluency and sophistication. Very accurate grammar. Few errors.
<b>9–11</b>	<b><i>Good</i></b>	Good range of vocabulary, with a variety of complex sentence patterns, though with occasional lapses in correct usage. Impression of enterprising use of structures and little repetition. Good level of accuracy, over broad range of structures. Tenses and agreements generally reliable, but some lapses in more complex areas.
<b>6–8</b>	<b><i>Adequate</i></b>	Adequate range of vocabulary, but some repetition and occasional lexical error. Some complex sentence patterns appropriate to the task, but with variable success. Occasional native-language influence. Adequate level of accuracy but overall performance inconsistent. Familiar structures usually correct and some complex language attempted, but with variable success. Errors do not impair communication significantly.
<b>3–5</b>	<b><i>Basic</i></b>	Limited range of vocabulary, with frequent repetition and significant lexical errors. Occasional attempts at more complex sentence patterns, but often impression of ‘translated’ language that impedes communication at times. Gaps in knowledge of basic grammar. Communication impaired by significant errors, e.g. adjectival agreements, verb forms and common genders.
<b>1–2</b>	<b><i>Poor</i></b>	Very limited range of vocabulary with frequent native-language interference and wrong words. Simple sentence patterns and very limited range of structures. Little evidence of grammatical awareness. Accuracy only in simple forms.
<b>0</b>		No rewardable language.

The Content mark is linked to the Quality of Language mark. Where the content of a candidate's answer is partially or wholly irrelevant, the mark for the Quality of Language will not be higher than the equivalent descriptor box for content.
