Paper 1 Theory

May/June 2020

2 hours

You must answer on the question paper.

No additional materials are needed.

INSTRUCTIONS

- Section A: answer all questions.
- Section B: answer all questions.
- Section C: answer one question.
- Use a black or dark blue pen. You may use an HB pencil for any diagrams or graphs.
- Write your name, centre number and candidate number in the boxes at the top of the page.
- Write your answer to each question in the space provided.
- Do **not** use an erasable pen or correction fluid.
- Do **not** write on any bar codes.

INFORMATION

- The total mark for this paper is 100.
- The number of marks for each question or part question is shown in brackets [].

Section A

Answer all questions.

You are advised to spend no longer than 45 minutes on Section A.

1	(a)	Name the term used to describe a diet which contains all the nutrients in the correct propo			
				[1]	
	(b)		e is one factor to consider when planning meals. It three other factors to consider when planning meals.		
		1			
		2			
		3		[3]	
	(c)	Disa	accharides are a form of carbohydrate.		
		(i)	Give two examples of a disaccharide.		
			1		
			2	[2]	
		(ii)	Name three enzymes involved in the digestion of carbohydrates.		
			1		
			2		
			3	[3]	
		(iii)	Describe three effects of dry heat on carbohydrate.		
			1		
			2		
			3	[3]
