

**MARK SCHEME for the October/November 2013 series**

**8679 AFRIKAANS LANGUAGE**

**8679/02**

Paper 2 (Reading and Writing), maximum raw mark 70

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2013 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

<p><b>0–1 Poor</b></p> <p>Little or no evidence of grammatical awareness. Most constructions incomplete or incorrect. Consistent and repeated error.</p>

Length does not determine the quality of language mark. Answers scoring 0 for content cannot contribute any language marks, and the total available on the whole set of answers will therefore be affected. The final total for language will be reduced on the following scale:

Answer(s) worth 1, 2 or 3 scoring 0: reduce final assessment by –1

Answer(s) worth 4 or 5 scoring 0: reduce final assessment by –2

Answer(s) worth 6 or 7 scoring 0: reduce final assessment by –3

Answer(s) worth 8 or 9 scoring 0: reduce final assessment by –4

Where there is a mixture of questions worth 1, 2 or 3, 4 or 5, 6 or 7 or 8 or 9, base the reduction on the question worth the highest mark. For instance, if a 0 has been scored on a Question worth 1 mark and a 0 has also been scored on a question worth 6 marks reduce the final language mark by 3.

Note: A minimum of 1 mark for quality of language should be awarded if there are any content marks at all (i.e. 0 language marks only if 0 content marks).

[Total: 15 Content + 5 Language = 20]

### Content Question 5(b)

Mark like a mini-essay according to the variety and interest of the opinions and views expressed, the response to the original text stimulus and the ability to express a personal point of view.

#### 5 Very good

Varied and interesting ideas, showing an element of flair and imagination, a capacity to express a personal point of view.

#### 4 Good

Not the flair and imagination of the best candidates, but work still shows an ability to express a range of ideas, maintain interest and respond to the issues raised.

#### 3 Sound

A fair level of interest and ideas. May concentrate on a single issue, but there is still a response to ideas in the text.

#### 2 Below average

Limited range of ideas; rather humdrum. May disregard the element of response to the text, and write a largely unrelated free-composition.

#### 0–1 Poor

Few ideas to offer on the theme. Banal and pedestrian. No element of personal response to the text. Repeated error.
